Description

Run your business more efficiently. The Tork Xpressnap Fit® dispensers are ideal for small chains and independent restaurants that offer napkins at the table or on counter. Our most compact Xpressnap system ever has one-at-a-time napkin dispensing with similar savings in waste and napkins. Tork Xpressnap Fit® not only serves more guests between refills – compared to fastfold and counterfold systems – it also cuts inventory space and reduces unused napkins thrown-away by more than 50%.

- Easy-to-Use (SRA) Make hygiene accessible to all: many Tork Hygiene Systems are certified "Easy to use" by the Swedish Rheumatism Association.
- A durable and easy to clean dispenser reduces time for maintenance and protects napkins from dirt and spills
- Made with durable and easy to clean materials that reduce maintenance and labor costs.
- A full size napkin is folded to fit the small footprint dispenser
- The level indicator shows when it is time to refill, enabling 100% napkin availability. No more running out of napkins during peak times of day.
